## 2010-2011 - CLUB NEWS AND EVENTS

### A New Year Approaches

With the coming of the new year and winter comes the **renewal of dues.**

Enclosed you will find a [membership renewal form](#).

Please fill this out and change any information that is incorrect.

Mail it back to the club with you dues.

A new **2011** membership card will be mailed back to you.

Deadline for renewal is **Jan 31st** so please don't wait.

Dues are **\$85.00** a year.

### Sporting Clays:

The sporting clays season has been another great success. A lot of work was done in the woods, with new shooting stations and cages. Special thanks to Russ McKittrick for all of his voluntary work that he has done to make the Clinton Fish and Game Club Sporting Clays Course the best in the area. Russ along with the help of many other members has improved the sporting clays course by adding some new stations, rebuilding some of the older stations, and make the course a 100% fully automated.

**Spring Clean up:** will be scheduled in the middle of April. Please try and help clean up the grounds after winter.

Don't forget some of our upcoming shoots for 2011.

- ❖ June-Shoot For a Cure
- ❖ July- Boy Scouts of America
- ❖ September-TBA

### Skeet:

This game is still very popular and there are a number of Sundays where all three skeet fields are in full use. If anyone is interested in starting a skeet league or some other skeet event please bring your ideas to one of the board members.

### Archery:

Anyone interested in starting an Archery program? If so please contact anyone on the board.

**Membership 2010** brought us **135** members. With an increase in membership the Board of Directors would like to see more participation with members helping and volunteering around the club. We are always looking for members who have certain interest around the club to help improve those venues. If you are interested in volunteering please contact the Board of Directors or stop in to a monthly meeting.

### Trap:

Still a favorite among a lot of us. With the different games that can be played from regular trap to scrap trap (shooting trap from the skeet pads) there is a lot of fun to be had with this old favorite. Oh and lets not forget partners trap and you better get a partner you like shooting with.

### 5-Stand/F.I.T.A.S.C

Still one of the best 5-Stands in the area. A new controller has been built which provides for a wider variety of target presentations.

### Rental Property:

The rental property is now occupied by a nice young family who often contribute to various grounds maintenance such as mowing.

### Access to Club Property:

Use of club property off-hours is reserved for **members only**. A gate to the club property has been installed; the combo will change annually and members will receive the new combo upon renewal of their memberships.

### Hunting on Club Property:

Members only can hunt big game, deer (**Bucks Only**). No small game hunting is permitted. Hunting only during times that clay target shooting is not going on. **Hunter safety** classes are offered twice a year at the club. Limited class size of 20 students so it fills up fast. Class dates will be posted on the website and at the club.

### Rifle Range/General Rules:

Please follow all rifle range rules to the letter. Shoot safely, clean up after you are done, and do not drive on the grass to get to the shooting benches. **\*\*PLEASE\*\*** No bottles, cans, or garbage of any kind are to be used as targets.

### Annual Membership Meeting:

Please make it a point to come to this December's annual membership meeting, **Dec 21<sup>st</sup>**. Vote for your officers and directors or just come and thank everyone for all the hard work and time they put into this club to make it the great place it is.

### Nominating Committee Presents:

#### Officers:

President – Raymond Majka  
Vice President - Victor Broccoli  
Treasurer – Matthew Wolf  
Secretary – Salvatore Aversa

#### Directors:

Paul Fostini, Scott Ciufu, John LaPorte

Comments, questions, or suggestions can be directed to Matthew Wolf at [mattwolf@yahnundasis.com](mailto:mattwolf@yahnundasis.com) or at the club when you see me. SEE YOU AT THE MEETINGS AND ON THE RANGE
